Swing into Spring here at CCC!
Dear Members,

April is here, with May and June quickly to follow. Then we are into Spring and Summer. What a quick feeling first quarter of 2019. The first quarter of the year has provided cold, wet conditions, warm feeling days, and downright “chamber of commerce” days to play golf, tennis, take a walk, swim, dine on the Terrace, or work out. Hopefully, you have taken advantage of one or all of the amenities that Carrollwood Country Club has to offer. Many things have occurred over the past three months, and I would like to take a moment to highlight just a few, as well as future planned events over the next three months.

On the capital investment front, we purchased new Member Dining plating in early January. In addition, the renovation to the dining facilities has begun or is nearing completion, and the cardio equipment has been or will be installed in the very near future. The bunker reconstruction for the Meadow nine has been scheduled for the week of May 13th. We anticipate this project to take approximately three weeks from start to finish, depending on the weather. Other investments have also been made that are not visible to the Membership, such as the purchase of new computers, the installation of a new air compressor at the TAC, as well as replacing the filter sand for the pool pumps. Additional projects will be ongoing throughout the year.

Operationally, our tennis program continues to grow, particularly in the growth of the game initiatives. Interestingly, our initiatives to do the same with golf programming is showing tremendous growth and participation as well. I am also very pleased that CCC will now be fielding a PGA Junior League team as well. Chuck and his team have been working diligently to maintain and improve the golf course and have kept it in great condition throughout the Winter months despite the challenges that the weather has produced. In addition to these things, Danny and Chef Robert have continued to upgrade our food quality; we now offer Boars Head meats and cheeses exclusively in all our entrees. Brian and his team have continued to work to improve our Member tournaments, MGA, WGA and Couples’ Golf.

As 2019 moves into April and beyond, be on the lookout for upcoming events. Specifically, our Annual Easter Brunch & Egg Hunt, Men’s Member-Guest in April, Cinco De Mayo & Mother’s Day Brunch in May; and of course, our Annual Independence Day Celebration on June 29th. We hope you plan to spend these days, and many others, with us here at your Club.

Have a wonderful Spring,

Sincerely,

Bob Foster
General Manager
Hello My Lovely Carrollwood Country Club Members,

Well the first 3 months of 2019 have just flown by, we are well on our way through Spring, and before you know it, Summer will be here. I would like to try and slow things down a bit and re-cap what has just flown by as almost a flashback lol.

As far as Membership goes, we are still thriving and why wouldn’t we be with CCC being the best Golf Course in the area. In the past 3 months, we’ve had close to 35 New Members join. Yes, there are a lot of new faces here at CCC, and all looking to connect so reach out and introduce yourself. Also, a great way to make connections and meet your fellow CCC Members is attending our New Member Mixers. We just had one back in March and will try to do these more regularly, maybe one every quarter, so please keep an eye out for the invitations, for this you do not want to miss.

Also, for New Members who have recently joined, please do not forget to come by and pick-up your Welcome Bag. This will have your Orientation Packet, a copy of our Club Bylaws and your Club Coupons. For any other Members who are interested, you may find our Bylaws on our website as well, www.carrollwoodcc.com

Also, keep our MSM Program, Members Sponsoring Members, in mind. This is a great way to keep our Club growing with your friends and reduce your monthly dues. I know a lot of you have participated in this program, but for those of your who might have questions please feel free to contact me.

Now, we’re looking forward to the future and all the BIG things that will be happening here at CCC. I am sure you all have received the emails regarding a future facelift to the Club sent out by our General Manager, Bob Foster, or at least I hope so. If not, then I would like to just tell you how excited I am for the upcoming renovations. Knocking out the wall in the Main Bar area to open up the Dining Room, all new carpet and paint throughout the Clubhouse, new equipment in the Fitness Center, new TVs and the Meadow Nine Bunker Renovations. It’s all very exciting, and yes, there will be some growing pains whilst all is taking place but bear with us for it is going to be fantastic once complete!

Also, I know we have quite a few Social Memberships, 487 to be exact. Since we are on the subject, I do get asked quite often how many Members we have, so I’ll take a minute to let you know exactly what makes up our CCC Membership. As mentioned, we have 487 Social Memberships, we have 138 Tennis Memberships and we have 428 Golf Memberships. So, all together we have 1,053 Memberships. With this many Members, we are trying to make sure you have plenty to do. I’ve always said that your suggestions or thoughts on the types of events you would like to attend are welcome, but here are just a few things to look forward to...

In April, we have our Annual Easter Brunch and Egg Hunt; our Biggest Golf Event of the year, our Men’s Member Guest Golf Tournament; and our monthly Bacchus Wine Dinner, if you haven’t tried one of these yet it’s a must… great food and great wine, how can you go wrong? Our CVST will also be hosting their Annual Blue/Green Meet. Coming up in May, we have our Cinco de Mayo Family Fiesta, our Couples Cinco de Mayo Golf Scramble, and our Famous Mother’s Day Brunch, which is always a beautiful time. Then we move into June, which we all know the Big One here, our Independence Day Celebration which we always host the Saturday before the 4th, so this year it will be on Saturday, June 29th. Keep this one in mind. We will also have a special Father’s Day Golf Outing, so be sure to sign up for that one. And, don’t forget about our Summer Camps that start in June. A great time for the kiddos and a great way to get them out of the house and outdoors doing something healthy.

We have a lot going on in the upcoming months here at CCC and I’m excited about all of it, and I hope you are too! We’ve got a Great Club with Great Members, and I’m looking forward to a Great Spring and Summer with all of you!

Best Regards,

Renee Constantine

*Events are subject to change at the discretion of the Club
Spring has sprung, and we will be in the heat of Summer before you know it. I would like to thank all of the Members who joined us for all of our Member Events over the last three months. With a fantastic turn out for your Member Appreciation Party in January, I’m still getting rave reviews from that event. Our Super Bowl Party was a great event, it is the best Superbowl party in town! Valentine’s Day was a huge success with great music and an amazing meal! Then, the second installment of the Family Fun Festival was a blast with such an amazing attendance and fun for everyone there! Again, thank you to all that participated in our events.

I would also like to thank all of you with your patience through the chaos of our renovations. The final product will be well worth the inconvenience for this short period of time.

Coming up for all of the Members, are some exciting events! Starting off Spring with our annual Easter Brunch and Egg Hunt. There will be many changes from last year with the food selections. With Chef Robert constantly elevating the standard of quality, you are sure to be blown away by this year’s Easter Brunch. We will have the Bounce House up, as well as a balloon artist and face painter here for fun with the little ones.

For May, our Cinco De Mayo Party will be hosted on the Terrace again this year. Carlos will be entertaining you with his high energy Latin music. Enjoy unbeatable Corona and Margarita specials, as well as Chef Robert’s All-You-Can-Eat Taco Bar. All of this for only $9.95!! You can’t get a better deal, even in Mexico!! Mother’s Day is a day to take great care of our Mothers. Bring your special person to our indulgent Mother’s Day Brunch Buffet fit for a Queen.

Moving right into the heat of things, we have some big fun for you in the month of June. Escape the heat of the Summer with an indoor Mini Golf course that will be fun for all ages. Then, the last weekend of the month we will be throwing our Annual Independence Day Celebration. This year is sure to be bigger and better than years passed. We will be incorporating many new local food vendors, and the entertainment is sure to be even more spectacular. All concluding with the best fireworks display in the Bay Area!! So grab your friends and family and join us for another blast of a party!

Last, but not least, don’t forget about our monthly Bacchus Wine Dinners. With our very creative and personable, Chef Robert, we have yet to repeat any menu item throughout the course of nearly a year of menu designs. Chef Robert’s creative pallet, combined with Republic National’s top Sommelier, we have a pairing that will always be exquisite, including five Chef created courses and five wine varietals from all over the World. It’s a journey of senses that will keep you coming back every month!

We are constantly upgrading and improving service and food quality in our Dining Room. With many compliments from the Members about our product, I am confident to proclaim success through our growing pains of improvements. We have spent a large part of last year and the beginning of this year fine tuning our service standards, food presentation and food quality to give you what you expect and deserve. A dining experience you can bring your friends and family to and be proud of. We will always be improving all aspects of your dining experience. I believe no matter what the standard is currently, there is always room for improvement. I want your experiences here with us to compel you to make this your favorite dining establishment. I hope to see you all soon. Like always, my door is open for you. If you ever need anything special or just want to stop in and say “Hi”, please come on in. We are here to serve you and create a memorable experience for you and your guests. See you at the Club!!

We’ve also experienced some amazing golf conditions and golf shots. From hole in ones (Alyssa Tobin and Sam Komar, Jr.) to eagling par 4s (Carrie Edington and Ron Giger) to having the highest MGA participation in years, 2019 is proving to be a special year. One more piece of great news is our recent addition to the professional staff. If you haven’t done so already, please take a moment to stop by the Golf Shop and say hello to our newest golf professional, Michael Woods.

2019 MATCH PLAY TOURNAMENT: 1/17/19 – 2/12/19
Chairperson- Karen Marotta

Thanks to KAREN MAROTTA for your dedication to making our 2019 Match Play tournament such a success. It was so helpful to receive printed out Match Play rule sheets for the participants, weather updates, and the “weekly brackets”. This year we had 2 levels of play, a consolation flight Match Play and regular “upper bracket” Match Play.

Congratulations to KAREN BENTLEY, by winning 2019 MATCH PLAY CHAMPIONSHIP and Congratulations to VANIE BENEDETTO who won the CONSOLATION FLIGHT. These two ladies worked hard to achieve their 1st place status.

KAREN BENTLEY’S comments... “While NEVER playing in a Match Play tournament I had a lot of reservations about what it would be like. With Karen Marotta’s encouragement to give it a try, I really enjoyed the format and all the women I got to play golf with in a more focused competition. My final match with AMANDA PETERSON was a bit scary for me, as I was facing a young woman who I had never met who has a 12 handicap! Thanks to AMANDA for being so kind and encouraging to me, it was one of my best rounds of golf yet. Our final score was 4 & 2.”

VANIE BENEDETTO’S comments...”Liz Lagos and I have identical handicaps and as expected it was a very close round of golf! Liz had some dead-on putting and I had some great distance on many of my fairway shots. The front 9 holes Liz had a 3-hole lead before I had my comeback and eventually, we were even at the end of 9 holes. The 2nd nine, we were back and forth but the match ended on the 17th hole. The Match ended in a victory for ME in a 2 & 1 lead.”

WGA UPCOMING EVENTS:

WGA CHAMPIONSHIP: Thursday, May 2nd
PRESIDENT’S TOURNAMENT: Thursday, May 23rd

Official PGA 2019 SANDTRAP Rule:
A player is allowed to touch or move loose impediments in a bunker and is generally allowed to touch the sand with a hand or club; but a limited prohibition continues so that the player must NOT:

• Deliberately touch the sand in a bunker with a hand, club, rake or other object to test the condition of the sand to learn information for the stroke, or

• Touch the sand in a bunker with a club in making a practice swing, in grounding the club right in front of or behind the ball, or in making the backswing for a stroke.
From the Golf Course
Superintendent

The golf course maintenance staff has eagerly awaited the arrival of the warmer weather of March and April. The beginning of the year was very wet with cooler than normal temperatures. The courses have held up well, but as we enter into Spring we are ready to start growing turf again.

I am pleased to confirm the start date of our bunker renovation on the Meadow course is May the 14th. We anticipate the project to take three weeks but may be shorter if the weather cooperates. During this time, we will also address some minor drainage issues on the Meadow course and these areas will be re-sodded when the work is completed.

As many of you already know we also begin our aerification process starting in May. We will begin the aerification process starting on the Meadow course, and will be on a two-week rotation throughout the Summer between all three courses. I know nobody likes aerification, including me, because of the labor, time and effort it takes to complete the job right but it is something that we have to do here at Carrollwood I know some courses in the area only aerify once or twice per year, but we will aerify three times over the Summer which will give us the quality putting surfaces that we have grown to expect here at Carrollwood Country Club.

As always, the staff and I appreciate your help taking care of the course by filling your divots with sand and repairing your ball marks on the greens. If you should have any questions or concerns about the golf course, please do not hesitate to call me or stop me on the course. See you on the course.

Best Regards

Spring is here and Summer is rapidly approaching, so be sure to get signed up for one of our CCC Summer Camps or Lesson Programs! Registration is open now at the TAC.

The Resort Sports Camp at CCC runs a week at a time in June and July, with no camp the week of July 4th. Our camp covers the resort sports of swimming, tennis and golf with certified, professional instruction, a full-time “Den Mother” and a provided lunch every day. This year, we will be getting some special visits from our local First Responders (Duties & Weather Permitting). For example, the Hillsborough County Fire Rescue has come out with one of their trucks for a visit. They even let us sit in the truck and showed us how the remote-controlled water cannon works. Members and guests ages 6 to 13 who can swim are always welcome. We also have free loaner equipment for golf and tennis available at no extra charge. A typical day at the Resort Sports Camp starts with two hours of golf, an hour for lunch, two hours on the tennis courts and finishes up with two hours in the pool.

The Carrollwood Village Swim Team and the Carrollwood Country Club are proud to offer, once again this year, our SwimAmerica Swim Lesson Program. Lesson Registration is now ongoing. Just stop by the TAC Desk to get started with your registration. Our SwimAmerica trained and certified instructors are excited to help you or your child get into the swim of things. We offer private lessons, group lessons for 4 or more of the same ability, and organized by one person, and our Stroke Camp (a step between the lesson program and the swim team). Visit CVST.org and go to the Swim Lessons Page to get all the info on our SwimAmerica Program.

The Tennis Camps include both half and full day camps offered all Summer long to players of all skill level, beginners to advanced. Just stop by the TAC for all the information on the Tennis Program.

These camps and lessons often sell out quickly and space is limited. For more information on the Resort Sports Camp, our SwimAmerica Swim Lesson Programs, our Vertical Tennis Programs or the Carrollwood Village Swim Team, call us at 813-961-1368 or visit: www.CarrollwoodCC.com / www.CVST.org.

A new class being offered at the TAC is our Stress & Stretching Class which is held on Wednesdays from 10:00am to 10:30am, beginning May 1st. The class will be complimentary to Club Members and $10.00 for guests of Members. It will entail gentle stretching combined with deep breathing exercises for stress relief and flexibility, perfect for everyone. The instructor is Manny Calo, and you can sign up by calling the TAC at 813-961-1368. Hope to see you out there!

Coming this Summer, a reminder to all you kids out there, we will be opening up our Giant Inflatable Water Slide at the TAC. June 8 - July 28, the Water Slide will be open on weekends from 12:00pm-4:00pm (weather permitting). The Pool and Splash Pad will of course be open their regular hours, so come on out, and take a swim and a slide down our Giant Inflatable Water Slide!

With Spring and Summer in full swing, it means Mother’s Day and Father’s Day are coming soon, and now’s a great time to start thinking about gifts for Mom and Dad. With CVST and AmazonSmile, you can get all that shopping done early and help support CVST all at the same time! Shoppers turn to Amazon every year for great Mother’s Day gifts like perfume, jewelry and much more, and for Father’s Day gifts like ties, electronics and other exciting gadgets. Support CVST with your AmazonSmile donation this Spring and Summer and all year long when using AmazonSmile.

Just save and use the link above whenever shopping Amazon and will take you right to our portal. Thanks for your support of Carrollwood Village Swim Association Inc. (CVST).

Carrollwood Country Club Ladies’ Tennis has many fun, and competitive ladies of all ages and abilities! What a great combination for a winning way on our Ladies’ Tennis Leagues!

Suncoast, Carrollwood’s Tuesday League has 28 players and plays Pinellas and Hillsborough county teams for lots of variety. They are holding their own in the middle of the pack in standings and hope to maintain their success on the courts!

The Interbay team, a Wednesday League, is SPRINGING into a successful start of the season as are right in the middle of the 14 teams! Captains Trish Nellis and Terry Rizzo will be concluding their leadership roles, and Heidi Linville and Lucille Bartelt will take over for the upcoming 2019-2020 season. They are looking forward to the season ending awards luncheon at Avila which is always a fun-filled event!

The Spring season for the ALOT team, another Wednesday League, has been challenging in several ways! Good competition, which is a welcome challenge, but illnesses and injuries have created issues. Two of the regular Members are out for the season, due to injuries. Two other team members are dealing with sick husbands. With all that said, they have managed to be in 3rd place with half of the season under their belts. They are hoping for good weather, great tennis, and quick recoveries for all.

Members who would like more information about playing on a Ladies’ Tennis League should leave their name and number at the TAC. Seasons end in late Spring, and Summer brings ladder challenges to field competitive teams for the Fall.

A Warm Greeting to All from the Resort!

Spring Break 2019 has come and gone. We had another busy and successful Spring Break season here at the Resort. Golf groups traveled from all over the country to stay and play at Emerald Greens Condo Resort & Carrollwood Country Club. Each year the golfers compliment how much they enjoy the 27 holes of championship golf and the beautiful amenities of Carrollwood Country Club. On that note, I am happy to announce that TripAdvisor has ranked Emerald Greens Condo Resort number 2 out of 169 hotels in Tampa, FL. A big thanks to all the Carrollwood Country Club Members, who make our guests feel so welcome!

As the school year comes to an end and Summer vacation begins, we are starting to see more family vacationers staying with us. If you are planning a special event this Summer; wedding, Bat or Bar Mitzvah, family reunion or a birthday party, please make sure to stop by the Resort and reserve a room for your special event. Our sales managers, JR Pfeuffer, jr@stayandplaytampa.com and Vince LoScalzo, vincent@stayandplaytampa.com would be happy to assist with your reservation needs.

See you around the Club this Summer!
