Plenty of FUN in the SUN here at CCC!
Dear Members,

At the time you will read this another Independence Day Celebration will have come and gone, and we will be in the dog days of Summer. The heat and humidity will continue for approximately another three months as well as the inevitable, almost daily, thunderstorms. While it has been almost thirty years since I last lived through a Summer in Florida, the memories of them seem to have resurfaced. For those of you who attended the Independence Day Celebration, I hope you enjoyed yourselves and all that the day had to offer.

While activity at clubs in Florida tends to slow considerably during these hot and humid months, there are still plenty of reasons to be at Carrollwood Country Club. Kids’ Camps are in full swing, golf activities are planned (such as the 4th of July Red, White & Blue Scramble), the CVST is still going strong, many fitness classes are ongoing at the TAC, and food and beverage is still hosting various Member Events. Please plan to come to all or some of them.

Much activity has transpired here at Carrollwood Country Club over the past few months; capital projects, Easter Brunch, Mother’s Day Brunch, and our Men’s Member-Guest just to highlight a few. The Men’s Member Guest drew a record number of participants this year and our Annual Easter and Mother’s Day Brunches were also extremely well attended.

On the capital investments/projects, as I am writing this, I have been working with the designer to find a solution to the furniture issue in the Main Bar and Grille. I know many of you are disappointed with the chairs and bar stools, as am I. This week, I will be sending out an email that spells out the plans to fix this issue. The bunker project has been completed on the Meadow nine and the new cardio equipment and TVs have been installed at the Tennis and Aquatics Center. Our last major capital improvement project; patch, seal, and stripe of the parking lot and roadways surrounding the club, resort, and villas, will commence on Monday, August 5th. This project will take approximately three weeks depending on weather conditions. We will still have some minor investments to make over the last few months of 2019, however, on the capital investment segment of our business, we are already planning for 2020, 2021, and further into the future. There are many areas of the Club that do need investment; however, a big part of our planning process is to prioritize them by need and by department.

I will update you as our investment strategies become more clear over the next couple of months.

Have a great Summer!

Sincerely,

Bob Foster

WELCOME

BY RENEE CONSTANTINE, MEMBERSHIP DIRECTOR

Hello My Lovely
Carrollwood Country Club Members,

Well, who can believe we are already in the month of July? I feel as if it’s only March, but the heat tells me otherwise. So needless to say, the year is flying by. I can definitely say that the first six months of 2019 has been phenomenal for Carrollwood Country Club. As of June 13th, 2019, we have had (80) New Members join. The word is out and I’m so excited for the Club, and so happy to be a part of this CCC Family!

Brian Thornbury is doing an amazing job at bringing the Golf Department back to life with Couples Scrambles, Nine and Dines, Member-Guest Mondays, just to name a few. So a job well done to Brian and his entire Golf staff. Thank You!

CCC had some renovations and the Club looks great, very happy to say they went quick and smooth. Thank you to Bob Foster for his due diligence in making that happen. I’m thrilled with the direction that CCC is heading and it’s only getting better.

For those of you who may not know, we have a New Ambassador Program. This Ambassador Program is awesome! When you refer a New Member, not only could your dues be reduced, but you will receive points for every Member you refer. If your referral joins as a Full Golf Member, you receive (5) points, you receive (4) points for a Jr. Executive, you receive (3) points for a Tennis Family Membership, (2) points for a Tennis Individual you receive and you will receive (1) point for a Social. Whomever has the most points by December 31st will receive a $1,000 credit to their account, 2nd place is a $750 credit, 3rd place is a $500 credit and 4th place will receive a $250 credit to their account. You must contact me with the name of the person, and it has to be the first contact this person has had with the Membership Office. If you have any questions, please feel free to contact me for details and look for the monthly Leader Board in the Main Clubhouse. We have a great Club, so why not have your friends and family here to enjoy as well?

I’m looking forward to all that lies ahead here at CCC. Hope everyone has a safe Summer and I’ll see you around the Clubhouse.

Best Regards,

Renee Constantine

Another Spring has come and gone and we’re diving right into the heat of Summer. I want to thank everyone who participated in our Member Events over the past few months. We had a fantastic turn out for our Easter Brunch and had a great time spoiling all the Moms and Dads for Mother’s Day and Father’s Day. Cinco de Mayo was a hit this year as well! The weather cleared up just in time and it ended up being a beautiful evening with great music and, of course, delicious tacos! I LOVE TACOS!! Our Independence Day Celebration was a huge success once again! I hope you all enjoyed the festivities as much as I did!

Thank you all for bearing with us through the final weeks of our renovations. If you haven’t seen the new Member Dining Room and Bar you should stop by and check it out.

The next few months should be a lot of fun! We have a bunch of events lined up that should be enjoyable for everyone. Starting off in July, we will be having a Country Western Night. The Hatley Band will be entertaining with all your favorite country songs along with a delicious Southern style buffet. So come on out and show us those dance moves! On Saturday August 17th, we will be hosting our Father Daughter Dance. Come out and enjoy a fun night of dinner and dancing with your favorite little lady. Returning in September, we will host our Family Fun Festival. This event is always a ton of fun! The swimming pool and splash pad will be open along with live music, giant Jenga, ping pong, cornhole, bocce ball, and, of course, the always favorite mobile gaming truck!!

Our monthly Bacchus Wine Dinners will continue as well. Come join us each month for a unique five course dinner paired perfectly with five varietal wines. Chef Robert and Republic National’s top Sommelier never fail to deliver!!

For the Summer, we will be rolling out our new menu. All your favorites will still be available along with a couple of extra Summertime choices. We will be continuing our weekly specials with BOGO sandwiches for lunch on Tuesday and Kids’ Night in the evening. Starting at 5pm, kids eat free with the purchase of an adult entrée. On Wednesday nights we have the very popular Pasta Night, all you can eat Chef-attended pasta station, served with a house or Caesar salad, garlic bread and a complimentary glass of wine. At $12.95 for one or 2 for $22 you won’t find a better deal! Thursdays we will continue our Prime Rib Night. Your choice of a Queen or King cut served with a house or Caesar salad, Chef’s choice of veggies and a baked potato any way you like it. We’ll kick off the weekend with live music on the Terrace every Friday from 6-8:30. Saturday’s special is Apps and Taps. Buy one, get one half off on all appetizers and draft beer. Sundays will remain Burgers and Brews with buy one, get one half off burgers and drafts.

Thank you again to all of you that come in and show your support! I hope to see you all soon and like always, my door is open. If there’s ever anything I can do to make your experience more enjoyable, just let me know!

Dear Members,

The Summer is in full swing. Kid activities, soaring temperatures and traditional rain patterns. I hope everyone is finding time to make it to the Club to golf and enjoy some camaraderie. Summer months on the golf course are spent getting the course ready for the prime-time golfing months. Lots of aerification, topdressing and verticutting all contribute to the wonderful conditions we’re soon to experience.

Golf events will ramp up in September including the 2020 season opener of the Women’s Golf Association which is scheduled to begin September 19th. Included in this edition of your July, August and September newsletter, you will find a wide array of golf tournaments for all skill levels, camp dates and Summer reciprocal information.

RULING BY MICHAEL WOODS
Ever wonder what your drop options are when a ball carries onto Pine 9 green and then bounces off? Here are some options for you when this occurs.

RULE 17.1D: RELIEF FOR BALL IN PENALTY AREA
When it is certain that a ball is in a yellow penalty area and the player wishes to take relief, the player has two options, each for one penalty stroke:
1. The player may take stroke-and-distance relief by playing the original ball or another ball from where the previous stroke was made.
2. The player may take back-on-the-line relief by dropping the original ball or another ball based on a reference line going straight back from the hole through the point the original ball entered the penalty area.
3. Local Rule: The drop zone located on 9 Pine can be utilized.

SIP N’ SOCIAL
OPENING DAY
From the Golf Course Superintendent

The maintenance staff has just completed our first greens aerification to all three nines; please remember that we will be aerifying throughout the Summer, basically on a rotation of every two weeks per nine. This aerification process will be completed in early September. We understand this process is very disruptive to the putting surface, but it is a necessary agronomic practice. The aerification holes help water, air and nutrients to penetrate the putting surfaces as well as relieving compaction and removing unwanted organic material from the root zone.

The Meadow bunker renovation has been completed and is performing well. This renovation included new G angle sand and all the drains were cleaned out and new gravel was placed along existing drainage pipe. We also sodded several areas throughout Meadow specifically the lake bank on Hole 6. If you should have any questions regarding what we did on Meadow, please don’t hesitate to contact me.

As all Floridians know, the rainy season has begun. There will be times when we must restrict cart usage to cart paths only. This is a necessary measure to help ensure the best playing conditions possible. When the ground is saturated from rains, and carts are driven across it, the soil becomes compacted. This compaction leads to poor root development, which leads to poor quality of turf. We will lift the cart restrictions as soon as conditions permit. We thank you in advance for your cooperation and understanding.

If you should have any questions pertaining to any of the practices that we are performing on the golf course, my office door is always open. See you on the course.

Best Regards,

Chuck Cakmakci
Director of Agronomy

CONGRATS AND KEEP UP THE HARD WORK!

Green Queens & Kings Take Annual Blue/Green Meet

The Annual CVST Blue/Green Meet was another back and forth battle with the lead changing a number of times. As always, it was an exciting meet and, as usual, it came down to the end of the meet and even a little longer when a scoring mistake was found before the final decision on this year’s Champions was made. In the end, it came down to a 20-point spread and Captain Kaitlyn Labella and her Green Team beat Captain Sophia Hasara and her Blue Team to win the meet 1,096 to 1,076 points.

Following the Blue/Green Meet, CVST held their Annual Family Relays, which are made up of 3 immediate family members, one of which had to be a parent. We had twelve relays in total, 1 of which was exhibition and the other 9 trying to win the coveted CVST Family Relay Trophy.

The twelve relays swam in the first-round preliminaries with the top five relays moving on to the finals. In the finals, the Labella Family Relay came out on top after a close race. Congratulations to Morgan, Kaitlyn and Brad (Dad) on the big win!

High School Regional Finals Match
CCC Tennis Members Show Their Support for Carrollwood Tennis Juniors Playing Their High School Regional Final

Nicholas Cary (Senior), Chase Martin (Senior), Jackson Korta (Sophomore) and Kamal Wyatt (Freshman) are four of the five starters for George Steinbrenner High School Boys Team that defeated Sarasota High School in a very close and heated battle. It came down to a 3 all tie with number one doubles as the deciding match. Carrollwood’s Nicholas Cary and Chase Martin defeated Sarasota’s Brian García and Charles Putrino 6-2, 6-4 helping to earn the team a trip to the state tournament in Orlando- their 3rd straight year! “Home court advantage was huge for the boys and certainly helped them to win the match” says Carrollwood Tennis Director and former Steinbrenner Tennis Coach Chris Cary. Chris went on to say “the team and I really appreciate all the Carrollwood members who came out to support the team. I really don’t think we would have won without their support.”
Thank You Members, and Congratulations Boys!

For those of you who do not know, Mr. Kevin Hetzel has departed from Emerald Greens and took a position much closer to home. He will be missed by all that were associated with him. On this note, I would like to introduce myself as the new General Manager of Emerald Greens. My name is Mr. Kelly Riggle, I came from Saddlebrook Resort in Wesley Chapel and have been working at this property since April. Things are going great so far, and I truly look forward to meeting and assisting everyone that I possibly can.

Our goal at Emerald Greens is to make great memories for our guests and all of the CCC Members have assisted in making this happen tremendously! The kindness that is shown to our guests is noticed and much appreciated. We have heard nothing but wonderful comments about the Club employees, the fine dining at 1972 Grille and the great golf CCC has to offer. Together we have an incredible product to share with everyone.

Please remember, if you are having an event at CCC or just have family coming into town to visit, please contact us for room rates. You can either reach out to any member of our sales team, Mr. J.R. Pfeuffer, Mr. Vince LoScalzo or myself, and we'll be happy to assist you.
