Hello Carrollwood Members!

As Spring rolls through and the temperatures begin to rise, I would like to take this opportunity to thank each of you for another very successful season here at Carrollwood. The club has had some great experiences throughout the first quarter of the year. With the excellent playing conditions Chuck and his team brought us this season, we have seen member play on the rise. Our annual Easter Brunch and Egg Hunt was a great success again this year. It was enjoyed by roughly 700 of our members and their guests. The club continues to buzz in all departments.

We are now approaching the halfway point of the year here at Carrollwood. The Winter season started out challenging with January’s frigid temperatures controlling and limiting activity on the course. This resulted in our total rounds being down compared to previous years. Once the weather settled, it turned out to be a beautiful season! I am proud to report that current play is up through the first quarter and the beautiful weather also resulted in an influx of memberships for the club. We have welcomed over 50 new members and their families into our CCC family.

As we enter our warmer months we will begin our aerification process in 2-week rotations. This process is necessary to ensure peak playing conditions throughout the year. We thank you all in advance for your patience and understanding.

Please pay close attention to the departmental articles within this newsletter. We have several exciting social events planned for the next couple of months. Some of these events include the Mother’s Day Brunch which is one of our highest attended club events, the Inaugural CCC 5k Beer Run, Indoor Mini Golf, Father’s Day – Father Son Golf, Cinco de Mayo and of course our spectacular Independence Day Celebration which will be held on June 30th this year. We are also now open on Tuesday nights! Be sure to bring the kiddos along. Tuesday night’s here at CCC are now Kids Night, where kids eat free with the purchase of an Adult Entrée. As always, we are offering multiple youth programs and camps in Golf, Tennis and Swimming throughout the Summer months. Do not hesitate to contact the Club for further information.

I would like to take this opportunity to remind you our members, that if you have any questions or feedback about the club, my door is always open. It is the feedback and suggestions from our members that helps us improve our club and challenge ourselves to push forward.

Gil Cote
General Manager
BY RENEE CONSTANTINE,
DIRECTOR OF
MEMBERSHIP SALES

Hello CCC Members!!!!

Welcome to what we think will be summer lol... I say this this because I've never seen such wacky weather in all my years of living in Tampa. Now having said that, I know we still have no room to complain. I love Florida and I'm especially loving me some Carrollwood Country Club!

I'm so excited with what's been taking place here at CCC and I hope you are too. How can you not be? There is a buzz around the Club, and on the streets, that CCC “IS the Place to Be”. By now I'm hoping most of you have met or heard about Gil Cote, our New General Manager. He has settled in and hit the ground running. I love to see progress in action and that's what's taking place here folks, from renovated golf course bathrooms, and new plants and flowers that make our course even more beautiful than before, to new furniture in the Clubhouse, new fabrics and ceiling fans for the Terrace, swimming pool upgrades and the list continues. It's exciting and I hope you know, it's all to make You, the Members, feel even better at your Carrollwood Country Club home.

We've had some great events here lately and I always love being able to see all of you. Our Easter Brunch was a huge success with close to 700 attendees. We had our New Member Mixer in March, which it's not about quantity but quality and what a fun group. A big Thank You to all who came, we will continue to do these quarterly, so keep this event in mind when planning your calendar.

Now I also must share some “FUN STUFF” taking place in Membership. With our New & Improved MSM Referral Program, you can now refer a Member of your same category or higher and lower your dues for the LIFE of your Membership. Your referred member will have lowered dues for 2 years; BUT if they refer someone within those two years, their dues will also be lowered for life. The referred member must remain a member for at least 12 months. Easy-Peasy! It's a great way to save money and surround yourself with Friends and Family here at CCC.

We are also starting a new “Ambassador Program”. Anyone who refers a new Member will receive points for the Leader Board (Golf 4, Tennis 3 & Social 2). Whomever has the most points for the month will receive the Perk of the Month and whomever has the most points at the end of the year will win the Grand Prize, to be announced at our end of the year Ambassador’s Bash.

Keep in mind, you must contact me with any referrals prior to the New Member joining. Let the Games Begin and Good Luck!

I hope everyone has a Safe, Fun Summer and we'll be seeing you around the Club!

Best Regards,

Renee Constantine
Director of Membership
Another brief Spring has already passed us by this year. Rolling right into the heat of Summer with great member events, newly improved menu and a new night in the restaurant. However, before we get into what is coming, I would like to thank all our participating members for what has passed. We had a great March and a great April this year. Thank you to our membership for a successful Easter Brunch!

We have a ton lined up for you this May. I hope you all will be as excited as I am to make these events this year. Starting off May, will be our Bingo night on the second Thursday of the month. The crowd has grown in Bingo. Which means that the prize pool has also grown. Manny, at the helm of this event, has brought a great bit of personality and charisma to the night. Then on the 12th we will be hosting our 5k Beer Run! Featuring a couple of local breweries with great craft beers, live music with DJ Patrick, and a decadent Finish Line Beer and BBQ Party. So, dust off those running or walking shoes and run, walk, mosey, meander or sashay your way through the 5k course to the Finish Line Party. The next morning, we will be honoring our mothers with the Mother’s Day Brunch. A fantastic food experience is always guaranteed to please any Mom. Get your reservations early, as we will be filling up quickly again this year. Then back again, by very popular demand, the Murder Mystery Dinner!! Bring your best team of “who done it” crime solvers, come incognito or dressed to impress and get ready for a “Night at the Masquerade”. You will want to be sure to book in advance for this one, as we sell out every year!! Shortly after will be our Beer Dinner. We have changed the menu to be more pub friendly for you all. We have a couple of great local breweries lined up for the next few dinners. So, if you love beer and you love food then this is the event for you. Finally, to wrap up the month will be our famous Bacchus Wine Dinner. Some phenomenal wines and delicious fare will have you in anticipation for the next Bacchus Dinner every time.

During the month of June, we have a few events planned for you. To start the month off on the 8th will be mini-golf returning for the upcoming months. We have introduced a new and improved menu featuring new wines and liquors, delicious new sandwiches, lighter fare salads and some new massive over-sized soft Bavarian Pretzels that have been added all for your enjoyment. New on Tuesday evenings, we will be keeping the kitchen open, and all kiddos will eat free from the kid’s menu. So, moms and dads with your busy schedules, come in and let us cook and clean up for you. Take at least one night off from the chaos of the week and let us help you get to hump day a little easier.

Again, thank you to all the members who come in and show their support for their Club. I appreciate all that you do for us here. If there is anything I can ever do to make your club more enjoyable, please let me know. I look forward to seeing you all.

Carrollwood Country Club Members,

Spring is finally here, and the golf course is in great shape for the Summer. As most of you know, we are heading into the heavy golf course maintenance time of year. We will start aerification on Monday, May 7th with the Cypress nine. This process will continue as in years past with closing the aerified nine for two weeks to allow grow back. We will continue this process rotating the nines throughout the Summer. During this time, it will be very important that you set and confirm your tee times since we will only have 18 holes available.

In the golf shop we are receiving our Spring and Summer apparel and footwear. Adidas, Footjoy, Travis Mathew, Vineyard Vines and Under Armour. We have also introduced a new menswear apparel line called Matte Grey which features bright colors and bold patterns. We also have Titleist Vokey SM7 wedges and Callaway equipment available in the golf shop.

The MGA is off to a great start with Match Play currently in the Sweet 16. We have just completed the 2018 Member/Guest with great success. Congratulations to this year’s winners, Ryan Hill & guest Mike Mohr. I would like to thank all our participants. I would also like to thank Chuck, our Superintendent and his staff for a pristine golf course.

The WGA is currently playing on Thursday and Saturday mornings and will soon be adding golf and wine afternoon events. If you have any questions about how to join the WGA please contact the golf shop.

We would like to thank you for your support of the club and look forward to seeing you on the course.

Sincerely,

Shawn Gordon, PGA
Director of Golf

MEMBER-GUEST TOURNAMENT
A chilly morning with plenty of cool (actually COLD) breezes and sunshine (as well as the adorable MONKEYS everywhere) filled the golf course on March 22 for the 2018 Member - Guest event.

“Swinging Down The Fairways” was this year’s theme and it was executed beautifully by the very talented Member - Guest committee: Dianne Ferris, Mary Smith, Liz Lagos, Dawn Kelly, Patsy Lynch, and Vanie Benedetto. This was Dianne’s “Swan Song” after chairing this event for NINE consecutive years. Her creative talents and ideas are always a fun surprise and carried out throughout the entire day. Thank-You Dianne and your enthusiastic committee for all your dedicated hard work!

Also, thanks for all the helpers that came that day to assist, our photographer Tara Ortiz (she created a video slideshow that we all enjoyed via email), Barbara Kreiger, Linda Delapenha, Mary Ellen Hayden, and Peggy Ratliff.

You ALL made a big difference in the enjoyment of the day!

PRESIDENT’S TOURNAMENT, May 24th
From the Golf Course Superintendent

Upon a very successful year on the golf course, I would like to thank my staff for all their hard work and dedication that has enabled us to be regarded as one of the best golf courses in the greater Tampa Bay Area. I would also like to thank the Golfing Membership for their support over the years; we really appreciate all the positive feedback. We hope you have noticed the new sod on the pro tees on 6 Cypress and 3 Meadow, they are filling in nicely, and we should have the greens open in the upcoming weeks.

Unfortunately, we are coming into the time of the year when we must perform aerifications to the golf course, including three times to the greens. I have been asked why we aerify so often, “My friend is a member at a different club and they only aerify once the entire year”. First, I don’t know the conditions at your friend’s golf course, but I do know the conditions of our greens and the answer is, we aerify to disrupt the layers in our greens profile that inhibit air movement and nutrient uptake. By disrupting these layers, we are allowing fresh sand to be put into the open holes allowing channels to be opened in the greens where water, air and nutrients are less inhibited and easier for the plant to absorb the necessary nutrients to sustain itself. Our schedule for aerification is on a two-week rotation starting the week of May 7th on the Cypress course. In two weeks we will be aerifying the Meadow course, and so on. We will perform tee fairway and rough aerifications twice on all three courses throughout the summer.

As of all us know who live here year-round we are getting ready to enter the rainy season. There will be times when we must restrict cart usage to cart paths only. This is a necessary measure to help ensure the best playing conditions possible. When the ground is saturated from rains and carts are driven across it, the soil becomes compacted. This compaction leads to poor root development, which leads to poor turf. We will lift the restrictions as soon as possible. We thank you in advance for your understanding and co-operation.

If you should have any questions regarding the golf courses or the procedures that we do on the golf course don’t hesitate to contact me, I would be more than happy to explain any situation to you.

School is almost out, and Summer is rapidly approaching so be sure to get signed up for one of our CCC Summer Camps or Lesson Programs! The Resort Sports Camp at CCC runs a week at a time in June and July, with the week of July 4th off. Our camp covers the resort sports of swimming, tennis and golf with certified, professional instruction, a full-time den mother and it also includes lunch. Special this year, we will be getting some special visits from our local First Responders (Duties Permitting). For example, during the first, third and fifth weeks of the camp, Hillsborough County Fire Rescue will be coming out with one of their trucks for a visit. Members and guests ages 6 to 13, who can swim are welcome. We also have free loaner equipment for golf and tennis available at no extra charge. A typical day at the Resort Sports Camp starts with two hours at golf; lunch for an hour, two hours on the tennis courts and finishes up with two hours at the pool.

The Carrollwood Village Swim Team and the Carrollwood Country Club are once again this year proud to offer our SwimAmerica Swim Lesson Program. Lesson Registration is now ongoing. Just stop by the TAC Desk to get started with your registration. Our SwimAmerica trained and certified instructors are waiting to help you or your child get into the swim of things. We offer private lessons, group lessons for 4 or more, and our Stroke Camp (a step between the lesson program and the swim team). Visit CVST.org & go to the Swim Lessons Page to get all the info on our SwimAmerica Program.

The Tennis Camps are half and full day camps offered all summer long for beginners to advanced players. Just stop by the TAC for all the information on the Tennis Program.

These camps and lessons often sell out quickly and space is limited. For more information on the Resort Sports Camp, our SwimAmerica Swim Lesson Programs, our Vertical Tennis Programs or the Carrollwood Village Swim Team, call us at 813-961-1368. www.CarrollwoodCC.com / www.CVST.org.

A new class for adults and those young at heart is our new Water Aerobics Class which will be held on Tuesdays, from 10:00 am to 10:30 am, beginning May 1st. The class will be complimentary to Club Members and $10.00 for guests. It will be a complete body workout in the pool, perfect for everyone, including those with limited mobility. The instructor will be Manny Calo and you can sign up by calling the TAC at 813-961-1368. Hope to see you out there!

Finally, a reminder to all you kids out there, we will be opening our Giant Inflatable Water Slide for the summer at the TAC, June 2 - July 29, on Weekends from 12:00 noon to 4:00 pm (weather permitting). The Pool and Splash Pad will of course be open their regular hours, so come on out and take a swim and a slide down our Giant Water Slide!

CVST Places Two Swimmers in the Florida Top 10

The great thing about rankings in swimming is that there is no subjectivity. They are all based off of times. Each year from September to August USA Swimming recognizes the Top 10 performances in each age-group in each event. These rankings are updated as times come in from meets around the country. Using the same data base Florida Swimming also ranks its swimmers. As of the writing of this article, April 2nd, the Carrollwood Village Swim Team has placed two swimmers in the Florida Top 10. Jayden Repak leads the Carrollwood swimmers with multiple 11-year-old rankings. Jayden ranks first in the 1650-yard Freestyle (19:34.86), 2nd in the 50-yard Breaststroke (32.00) and 400 yd IM (5:01.59), 3rd in the 100-yard Breaststroke (1:10.15), 4th in the 1000-yard Freestyle (11:18.31), 5th in the 500-yard Freestyle (5:26.40), 7th in the 100-yard IM (1:08.34), and 8th in the 50-yard Butterfly (29.77). Kaitlyn Labella also ranks 4th in the 12-year-old 1650-yard Freestyle (19:49.28).

At the time of Jayden’s 50 and 100-yard Breaststroke Rankings swum in February at the Florida Swimming Age-Group Championships his time in the 50-yard Breaststroke ranked 8th in the country and 12th nationally in the 100-yard Breaststroke. Since then, Jayden has turned 12 and lowered his 50-yard Breaststroke (31.80) time by winning the Florida Swimming v Florida Gold Coast All Star meet, as he broke into the Florida Swimming 12 year old rankings in 7th while his 11 year old national ranking fell to 12th.

CVST had a great Boy & Girls Club National Swimming Championships, April 6-8, in St. Petersburg, where the team was by their four National Champions. Bodi Burrill was the National Champion in the 10 & Under 50 Freestyle and 100 Freestyle. Jayden Repak (11) was the National Champion in the 11-12 Boys 50 Breaststroke, 100 Breaststroke and 100 Individual Medley. Katie Labella was the National Champion in the 13-14 Girls 1650 Freestyle. Sophia Hasara was the National Champion in the Senior 500 Freestyle and 1650 Freestyle.

CVST Places Two Swimmers in the Florida Top 10

The great thing about rankings in swimming is that there is no subjectivity. They are all based off of times. Each year from September to August USA Swimming recognizes the Top 10 performances in each age-group in each event. These rankings are updated as times come in from meets around the country. Using the same data base Florida Swimming also ranks its swimmers. As of the writing of this article, April 2nd, the Carrollwood Village Swim Team has placed two swimmers in the Florida Top 10. Jayden Repak leads the Carrollwood swimmers with multiple 11-year-old rankings. Kaitlyn Labella also ranks 4th in the 12-year-old 1650-yard Freestyle (19:49.28).

Spring has sprung and here we are in May with most of our Ladies Leagues completed.

Our Tuesday Suncoast League ended the end of March with a lot of great matches, proving to be a competitive experience, brilliant matches and teammates rising to the occasion. The team finished in the middle of the 12 teams playing in Suncoast. A big thank you to our dedicated and competitive teammates, having a very successful season of FUN tennis, with plans for coming back even stronger in the Fall. Thank you to our Captains: Overall Captain – Mary Klein; A team captain – Holly Charles, B team captain – Kathi Wise.

Our Wednesday Interbay team, much like the “time change” sprung forward in the standings compared to the first half – well done! At the time this article was written, we still had 2 matches to go and we were close to the top third of the 15 team league. A top three finish perhaps? Captains – thank you – Trish Nellis & Terry Rizzo.

Our additional Wednesday League is the A LOT league. They still had some matches to be played as well, but they were very close to a winning record – to our hard-working captain, Gail Gibson, and co-captain Lori Solomon.

All three of the above Leagues will be involved with challenges over the next few weeks, as club rules dictate. Also, we are always looking for subs. Please contact Chris Cary, our Director of Tennis and he will direct you to the appropriate people.

….and our 3.5 USTA Ladies League, played on Thursday mornings, and captained by Kristine Glein, coached by our Assistant Pro, Gyorgyi Zsiros. This league has really just gotten started with the 40+ season, and have already had some team wins. They are looking forward to a lot more “W’s” this season. Lots of depth on the team so good things will happen!

The annual Morning Star Tennis Tournament will be in May, and we have the honor of hosting it each year. Over 120 players participate all for a good cause to benefit children with learning disabilities.

Please check out the weekly Tennis News Updates sent to all tennis members for the current and upcoming events – always something happening at CCC!

Good Tennis Everyone.

Spring Break 2018 has come and gone. We had another busy and successful spring break season here at the resort. Golf groups traveled from all over the country to stay and play at Emerald Greens Condo Resort & Carrollwood Country Club. Each year the golfers compliment, how much they enjoy the 27 holes of championship golf and the beautiful amenities of Carrollwood Country Club. On that note, I am happy to announce that TripAdvisor has ranked Emerald Greens Condo Resort number 1 out of 163 hotels in Tampa, FL. A big thanks to all the Carrollwood Country Club members, who make our guests feel so welcome!

As the school year comes to an end and summer vacation begins, we are starting to see more family vacationers staying with us. If you are planning a special event this summer; wedding, Bat or Bar Mitzvah, family reunion or a birthday party, please make sure to stop by the resort and reserve a room for your special event. Our sales managers, JR Pfeuffer, jr@stayandplaytampa.com and Vince LoScalzo, vincent@stayandplaytampa.com would be happy to assist with your reservation needs.

As a reminder, the Carrollwood Country Club member rates are available online for you and your family to take advantage of. In order to do this, simply go to our website (emeraldgreensresort.com), select your dates of stay and enter the following promotion code in the “Promo/Corporate Code” field: EGCR13941

See you around the club this summer!
