Happy Holiday Season From Your CCC Family
Dear Members,

As I write this last newsletter article of 2019, the heat index outside, according to my phone, is 108 degrees, with an actual temperature of 99. I don’t care if you are a native Floridian (which I’m not), or someone who has lived most of his adult life in the South (which I have), it is flat out HOT and miserable!

With the amount of rainfall the area has experienced over the past few months, the Summer of 2019 has been a challenge for all outdoor functioning industries in the Tampa Bay area. In all, here at Carrollwood Country Club, from the third week of June through August 31st we have received 42.8 inches of rain. Unfortunately, for months, this rain has disrupted numerous normal operations throughout the Club; such as golf course maintenance, issues for golf operations, tennis, kids Summer camps, swimming, as well as the seal and stripe project as it forced numerous delays. The golf course was restricted to cart path only and the range was closed probably as much as it was open, and outdoor dining was non-existent so it impacted our Members negatively. The good news is that sometime a few weeks after this newsletter is published, the temperatures will moderate and the incessant rains will cease, at least that is the hope.

To address the topic of cart path only, please see the pictures included with Chuck’s article on page 12. Chuck and his team only restrict to the cart paths to protect the golf course while remaining open. It is not something they want to do; they are well aware that carts on paths in 90-degree heat is not as fun as being able to drive 90 degrees and adds more time to a round of golf, rather it is important to the health of the turf. Unfortunately, many of our Members do not seem to want to adhere to Cart Path Only, and unilaterally make the decision that they know where to go so the restriction does not apply to them. Perhaps they do, however, someone else who has not played the golf course as often will follow their lead and not adhere to the restriction either. In either, or both cases, damage to the turf can and does happen as the pictures illustrate. These restrictions are in place for all Members so that we can maintain quality playing conditions. Lastly, at tee areas, near green complexes, and on par three holes, regardless of the cart path rule for the day, golf carts are required to stay on the path.

Non-rain related issues continue to plague the golf course in terms of private cart usage, mostly at night and off the cart paths, practicing on the golf course when it is closed and utilizing the golf course as a beach or playground. We recently spent over $1000, not including labor hours to repair a bunker on Cypress number six (renovated in early Fall 2018) that was destroyed by non-golf use.

I will apologize if the above comes out with a bit of a lecture “tone”, it is not intended to. Rather it is more to offer you an insight into why we do the things we do. Being behind in our mowing schedules and range closed because of significant rainfall is one thing to contend with; however, fixing cart related and non-golf related damage to the golf course is another.

I hope everyone has a Happy Halloween, Happy Thanksgiving and a Joyous Holiday Season. 2020 is just around the corner so enjoy these last months of 2019.

Hello My Lovely
Carrollwood Country Club Members,

Well, I cannot believe that we are in the last three months of the year. This year has definitely flown by and WOW, let’s just say “Goodbye” to all the rain! The most we’ve had in a season since I’ve been here. I just want to say Thank You to Chuck and his staff for keeping us afloat, literally. It has not been easy I’m sure, but we appreciate you all so very much for working as hard as you do to keep us at the top of our game.

We’ve had a great year so far and Membership continues to grow. Why?? Because we have a great facility and so much to offer. Bob Foster, our General Manager, has come along and not missed a beat. All three nines have new bunkers, we have finally made the renovations we’ve been hoping for in our dining area, we have our new dining room furniture that we all are happy with, we have painted the dining rooms and re-paved the parking lot…CCC is looking good and we’re thrilled about it!

I’m so excited to be rolling into our Fall Season and hoping for some better, cooler weather. I love this time of year. We have our Boo Buffet coming up, we also will have this year, an Adult Only Halloween Costume Party that should be a blast! We are looking forward to seeing everyone and all their great costumes.

Also, remember our “New Ambassador Program”, you will not only receive lowered dues, but credits to your account and points for each New Member you refer. The Member with the most points as of December 31st receives a $1,000.00 credit to their account, second place will receive $750, third place gets a $500 credit and fourth place will receive $250, so no losers here. Just keep in mind, you must contact me with your referrals name before they contact the Membership Office. Wishing all of you Good Luck, and I truly appreciate all of your efforts.

Let’s make the last three months of 2019 fantastic. Best wishes to you and your families.

Best Regards,

Renee Constantine
Membership Director

We made it through another blazing hot Summer! With the start of Fall, we know that change is right around the corner. Any day now we will have those amazing 2 weeks of Winter before it gets crazy hot again. Haha!

The past few months have been a lot of fun! I would like to thank all of you that came out to support your Club and attended all of the great events we hosted for you. I hope you all enjoyed everything we had to offer. Our Semi-Annual Family Fun Festival was, again, a crowd favorite. With over 120 Members in attendance, it was a huge success! However, there is still plenty of fun yet to come. With the Winter months quickly approaching, it’s going to be New Year’s Eve before you can blink. But before we get there we have a couple of great upcoming Fall events. So, stay tuned to the announcements from the Club so we can all have a great time together with these fun events we have lined up.

On Saturday October 5th, we will be having our first annual Adult Halloween Costume and Dance Party! We will have a photographer, DJ, games, prizes, great food and a surprise Member that will be the Grand Poobah! Our Bacchus Wine Dinner will be the next up on October 16th with Chef Robert’s always eclectic dinner selections, paired with highly sought-after wine varieties. It's a must attend for those that appreciate the “out-of-the-ordinary” dinner experience. Finally, the always popular Children’s Boo Buffet will take place on the 25th. We will be adding a few more surprises again this year to spice up the event. So, dress those kiddies up in their favorite Halloween costumes and come party with us!

Then coming up in November, we have our “House Divided” College Football Rivalry Tailgate Party. We will again have a tailgate style menu and the FSU vs. UF game live on TV on the 30th. So get your rivalry gear together and come enjoy a great game with fantastic tailgating food and drinks at your Club. The following week we will be hosting a delicious Thanksgiving Feast for you and your family to enjoy. Let us do the cooking and cleaning for you. Make your reservations early, as we are sure to run out of space quickly. If you prefer not to enjoy your dinner with us, why not pick up one of our Thanksgiving To-Go meals? Starting at $109.00, there is enough food to feed a family of 8 with plenty of add-ons to satisfy even the pickiest of eaters.

For December, we will be having our annual Brunch with Santa event. With a new addition to the entertainment for all the kids to enjoy. This always popular Holiday buffet will be even better than last year! Then, for New Years Eve, we will be providing you with your pre-party New Years Eve Dinner. Chef Robert is sure to provide you with an amazing 4 course menu for your final dinner of 2019, which also includes a bottle of champagne per couple to enjoy at any party or at home with your loved one(s) to watch the ball drop.

Our dining room has been busier than ever with the elevated service and food quality. Our specials will mostly remain the same for the next few months. We will continue our Two-for-Tuesdays with BOGO sandwiches for lunch from 11am-3pm. Then, from 5pm-9pm kids eat free with each purchase of an adult entrée. Wednesdays are our ever-popular Pasta Night, 2 pasta dinners for $22. This special includes our Chef-attended all-you-can-eat pasta station. Pasta is all prepared to order right in front of you. Served with choice of Garden or Caesar salad, garlic bread and one complimentary glass of house wine. Thursdays will continue as our Prime Rib Night. Our oven roasted Prime Rib is served with a baked potato and choice of toppings, Chef’s choice of vegetables and your choice of Garden or Caesar salad. Friday nights we will be featuring live music on the Terrace from 6-8:30pm. Saturdays will remain Apps and Taps night. Buy one appetizer or draft beer and get the 2nd appetizer or draft beer half off. We are changing up our Sunday Special for Bucs Football season! We will be featuring a tailgate burger special. Our 1/3lb burger with American Cheese, Lettuce, Tomato, Onion and your choice of side for only $8.99. Pair this with our BOGO draft beer (buy any draft beer and get the 2nd at half price), and Happy Sunday!

Again, thank you to all Members in support of the Club’s Food and Beverage program. I hope that you all have enjoyed this year’s improvements to your Club. I hope to always exceed expectations, but if there are ever opportunities for us to improve the service that we provide for you, please come by my office and let me know how I can be of service to you. I wish you all a very Happy New Year and Wonderful Holiday Season! Can't wait to see you here enjoying all that your Club has to offer.

As I write this newsletter article Hurricane Dorian is getting ready to
hit Charleston, SC after leaving the terrible destruction in the Bahamas
and bringing strong winds and heavy rain to the EAST coast of Florida.
We’re all looking forward to quieter weather days and getting back to
our FALL WGA events.

To sum it up, Summer golf for the WGA ladies was …
RAIN, COURSE FLOODING, DRIVING RANGE CLOSED,
90 DEGREE TURNS ON THE COURSE, RAIN, LIGHTNING,
FLOODING, 7 AM EMAILS FROM THE CCC GOLF PROS,
RAIN, DRIVING RANGE CLOSED AND MORE RAIN!!!

Our WGA Board Members have been busy with Summer meetings and
making sure all committees are filled with Members to assist in this
season’s FUN events.

If you’d like to assist on a committee (we sure need more help) contact
Marilyn Connors at mconnors13@tampabay.rr.com or 813.503.4161.

COMING UP in less than 2 weeks is the ANNUAL SIP N’ SOCIAL;
a “Meet and Greet” event to catch up with friends and meet new WGA
golfers.

New Membership books will be distributed at the SIP N’ SOCIAL.
You’ll want to make sure you have yours as it includes all upcoming
WGA events, handicapping rules, rules for daily play and tournaments,
fun games, recognition awards and the USGA 20 most important
changes to the rules of Golf.

Opening Day, A TROPICAL KICK-OFF is set for Thursday,
September 19th. Dianne Ferris with her committee, Mary Smith, Karen
Bentley, Liz Lagos and Irene Lukasik, are making sure there is NO rain,
and just LOTS of fun together (great prizes too).
This past Summer was one for the record books! With record heat in June and a steady supply of rain in July and August, we only had 13 days when it did not rain in 62 days and the rains were not our normal couple hour rain showers… they would last all day! Needless to say, we’re happy that Summer is over. Fall is my favorite time on the course. Temperatures have dropped, along with the humidity, and the chance of rain is greatly reduced. We have wrapped up our Summer maintenance practices, and the courses look great.

Meadow bunkers are performing well after being renovated this past Summer. Unfortunately, we have had vandalism on the courses, especially on the cypress course because of children playing in the bunkers. Although it may not seem like they are doing much damage, they are in fact causing severe damage; so much so, that we had to completely core out a bunker, clean the drainage lines and then back fill it with new clean sand because it no longer drained water. This bunker alone had a cost of over one thousand dollars, not to mention the time and labor it took to do this extra work which takes away from doing other projects on the course. We have put out “No Trespassing” signs, but they were pulled out of the ground the next day and were never seen again.

Many of you may remember that we do not overseed our golf courses, rather we use a green pigment on the turf to provide color to our Tees and Fairways in the Winter months. This procedure usually starts in December and will be repeated about every three weeks depending on the weather. By using a pigment rather than overseeding, we are allowing our Bermuda to thrive rather than compete with the overseed for nutrients. We also avoid the headaches of transitioning.

If you should have any questions or concerns about any procedures that we perform on the golf courses, please do not hesitate to ask. I am happy to explain any situation to you. See you on the course.

Best Regards,

Chuck Cakmakci
Director of Agronomy
From The Tennis & Aquatic Center

Well, here we GO! No EXCUSES! Summer is OVER, the kids are back in school and between the Pool, Tennis, Fitness Center and all of the Classes we are offering, there is no excuse for you all not to get out here to the Tennis & Aquatic Center (TAC) and get your workout on! Come out and let us help you restart that workout regimen. Just see one of our front desk staff and they will get you all signed up for one of our great classes or get you pointed in the right direction so you can get back into that workout mode.

I also have a reminder of some upcoming events that will affect pool usage and hours. As always, the Carrollwood Village Swim Team will be using the pool for practices in the early mornings, afternoons and weekend mornings throughout the school year. We will also be, once again, hosting the Tampa Catholic Swim Team again this Fall, Monday – Thursdays, from 7:00-8:30pm. During practices, there are two available lap swim lanes and the designated shallow end will be also open to Members. We will require the pool to be closed a few evenings during the Fall months to accommodate swim meets. The following are the dates and times that the pool will be closed:

- **Friday, October 4th:**
  CVST Friday Night at the Races – Pool Closes 3:00pm
- **Friday, November 1st:**
  CVST Friday Night at the Races – Pool Closes 3:00pm
- **Fri-Sun, November 22nd-24th:**
  FWC New Candidate Water Testing – 5 lanes Closed 8:00am-5:00pm

Additional dates may be added as events are scheduled.

We hope you will come out and cheer on CVST & Tampa Catholic when they host their Home Swim Meets this Fall at the TAC.

Finally, I want to thank our great staff for another fun and safe Summer here at the Tennis & Aquatics Center, and I hope to see you out here soon.

CARROLLWOOD COUNTRY CLUB ® 1972
Carrollwood Country Club’s “Slice Girls” Make Their 2.5 USTA League Season Debut

Welcome Slice Girls! CCC’s newest league team started off with a bang defeating first round opponents Tampa Yacht Club in September. The team has committed to learning the number one goal in doubles – taking the opponents’ time away by going forward or by hitting hard. As a result, they are winning! A lot! In addition to their weekly matches on Friday, the girls also practice twice a week as a team. Captained by Lydia Adkinson and Shelly Weathers, the Slice Girls are Angela Bryant, Angie Jones, Jackie Botet, Lisa Polk, Vicki Paul, Andrea Cottrell and Angela Kemner. Keep it up Slice Girls! We are rooting for you!!

Meet New Tennis Professional Carlo Quick

The son of a tennis teaching professional, Carlo has taught tennis most of his life. Having previously worked together with CCC Tennis Director Chris Cary, Carlo is also very familiar with CCC’s Vertical Tennis Teaching system making him a perfect fit for our Club. In addition to helping with the Junior Tennis Program, Carlo is available for private and group lessons of all ages and abilities. In just one week’s time, Carlo has already taken over the Monday Billions of Ball Tennis Work Out Class and is extremely well received.

Carlo’s coaching career includes many Florida Country Clubs: Tampa Palms, Hunter’s Green, Northdale, Club Méditerranée, and Carrollwood Country Club. He has founded youth cross-country teams and was Assistant Head Coach of the Freedom High School Boy’s Tennis Team.

Off the tennis court, Carlo gives back to the Tampa community as a public-school teacher. He teaches high school English to students with disabilities. His interests include music, traveling, and soccer.

To book a private lesson with Carlo, please contact the TAC front desk at 813-961-1368.

There are Still Openings for The Fall 2019 Carrollwood Country Club Junior Tennis Program

Come join the fun at one of the best Junior Tennis Programs in Tampa! Our experienced staff are fully trained in the highly effective Vertical Tennis Teaching Concept, which is based on laws of physics and the dimensions of the tennis court – not some coaches’ opinion or “unique” theory. Teaching fundamentals while having fun gives our students a strong foundation and the motivation to enjoy tennis for life. To sign up for one of our Junior Tennis Classes, please contact the TAC front desk at 813-961-1368.

MARY KLEIN, TENNIS REPRESENTATIVE

Ladies’ Tennis Leagues have begun their Fall seasons and look forward to fun, competitive tennis and some Fall weather soon! (We can hope, can’t we!??) New and existing members are always needed as subs to fill in on Tuesdays for our Suncoast and Wednesdays for our ALOT and Interbay Leagues. Please send a message if you are interested in playing on any of our teams as a sub this Fall. USTA teams are another possibility, especially if you are able to Captain a team!

The Tennis staff continues to make improvements to our facility, as well as maintain our courts each day, in spite of frequent downpours! Thanks for keeping us playing on the best area courts!

A Warm Greeting to all from the Resort,

The late Fall and early Winter days will be here soon, our guests from the Northeast and Midwest will be visiting to play the fabulous 27 Championship holes here at CCC. I would like to thank all the Members for being so accommodating to our guests. It really does give them a sense of belonging and helps to welcome them to this great Country Club!

Hosting a holiday party at the Club this Winter? Why not make it a mini staycation at Emerald Greens Condo Resort? Relax before the party and do not worry about driving home! Our Sales Managers, JR Pfeuffer and Vince LoScalzo, would be happy to assist arranging rooms for your group event.
